Dear Sisters and Brothers:

The Ohio AFL-CIO and the Union Veterans Council will be holding our first "Union Veterans Information Day" in Columbus on April 14, 2010 at the Plumbers and Pipefitters Local 189 Hall. All active and retired union military veterans are encouraged to attend.

The Union Veterans Council brings together union veterans on the issues that matter most to veterans, their families and working men and women -- from quality health care and adequate VA funding and access to good jobs for veterans.

More than 2 million union members are veterans. The Council lifts the voice of union veterans at every level of government where important policy decisions are made.

This event will serve to kick off the State Federation's efforts to have an active union veterans program and will provide information on benefits and services that may be available to military veterans and their families.

Our GUEST SPEAKERS will include:

- Joseph Rugola, Ohio AFL-CIO President
- Richard Cordray, Attorney General of Ohio
- Jim Wasser, Spokesperson for the Union Veterans Council, IBEW Retiree
- Matt Lampke, Deputy Attorney General Executive Agencies Section

Additionally, representatives from the Ohio Dept. of Veterans Services, Ohio Dept. of Insurance, United Way, Helmets to Hardhats, Ohio AFL-CIO Workforce Rapid Response program & Ohio's Best Rx will be joining us.

**Lunch Will Be Provided!**
